Basic Knots: The Foundation

Before embarking on knotty projects, let's lay a solid foundation by learning the essential knots:

1. **Overhand Knot:** Also known as the "simple knot," it's used for securing loose ends and basic binding.

2. **Square Knot:** Also called the "reef knot," it's widely used for tying ropes together or creating loops.
3. **Bowline Knot:** Forms a non-slip loop that's perfect for attaching ropes to objects.
4. **Clove Hitch:** A versatile knot for securing ropes around poles or posts.
5. **Figure-Eight Knot:** Used for stopping cords or creating a stopper knot.
6. **Half Hitch Knot:** Simple yet effective for securing ropes to other ropes or objects.
