1. Use a silver net

Silver is said to be the one metal that bogles cannot resist. If you can get your hands on a silver net, you will have a much better chance of catching a bogle. Simply throw the net over the bogle and it will be trapped.

2. Use a piece of iron

Iron is another metal that is said to be effective against bogles. If you don't have a silver net, you can try using a piece of iron instead. Simply hold the

iron up to the bogle and it will be repelled. You can then use the opportunity to trap the bogle in a net or cage.

3. Use a magical incantation

There are a number of magical incantations that are said to be effective against bogles. If you know any of these incantations, you can try using them to catch a bogle. Simply recite the incantation and the bogle will be immobilized. You can then use the opportunity to trap the bogle in a net or cage.

4. Use a trap

If you don't have any silver, iron, or magical incantations, you can try using a trap to catch a bogle. There are a number of different traps that you can use, such as a pit trap, a snare trap, or a cage trap. Simply set the trap and wait for the bogle to walk into it. Once the bogle is in the trap, you can close the door and trap it inside.

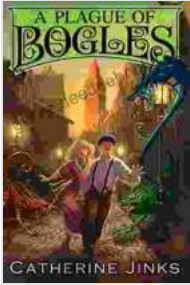

5. Use a distraction

If you can't catch a bogle using any of the methods above, you can try using a distraction. Simply find something that will distract the bogle, such as a shiny object or a piece of food. Once the bogle is distracted, you can quickly trap it in a net or cage.

Catching a bogle can be a difficult task, but it is not impossible. If you follow the tips in this article, you will have a better chance of catching a bogle and keeping it trapped.
