## **A Rich History Rooted in Tradition**

The Kloos family has been crafting fine wines in Burgundy for over a century. The estate was founded in 1870 by Emile Kloos, who established its reputation for producing exceptional Pinot Noir wines from meticulously cultivated vineyards in the Côte de Nuits. Over the years, the Kloos family has passed down their expertise and passion from generation to generation, preserving the traditions and values that have made their wines so beloved.

## **Exceptional Vineyards in the Heart of Burgundy**

Kloos Burgundies are sourced from a portfolio of prime vineyards located in the most prestigious appellations of Burgundy. The estate's holdings include parcels in Grand Cru vineyards such as Richebourg, La Romanée, and Chambertin, as well as Premier Cru vineyards such as Les Amoureuses and La Tâche. These exceptional terroirs, characterized by well-drained limestone soils and optimal exposure to sunlight, provide the ideal conditions for Pinot Noir grapes to thrive.

## **Meticulous Viticulture Practices**

The Kloos family is deeply committed to sustainable viticulture practices that respect the delicate balance of the Burgundy ecosystem. They employ organic and biodynamic techniques to promote the health and vitality of their vines. Canopy management, vine spacing, and yield control are meticulously executed to ensure optimal ripening and concentration in the grapes.

### **Traditional Winemaking Techniques**

Kloos Burgundies are crafted with the utmost care and precision, adhering to traditional winemaking methods that have been honed over generations. The grapes are hand-harvested to preserve their integrity and undergo a gentle whole-cluster pressing. Fermentation takes place in open-top vats, allowing for gentle extraction of flavors and aromas. The wines are aged in a combination of new and old oak barrels for 12 to 24 months, imparting complexity and structure to the final product.
