Whether you love him or hate him, there's no denying that Trump's tweets have been a major part of the American political landscape. Here's a look back at some of the most memorable and controversial tweets from his presidency.

## The Early Days

Trump began using Twitter in 2009, long before he entered the political arena. His early tweets were often about business, golf, and his personal life. However, he quickly realized the power of Twitter as a political tool.

In 2015, Trump announced his candidacy for president with a tweet that read, "I am officially running for President of the United States and we are going to MAKE AMERICA GREAT AGAIN!"

Trump's use of Twitter during the campaign was unprecedented. He used the platform to connect with voters, to attack his opponents, and to spread his message. His tweets were often controversial, but they were also highly effective. He won the Republican nomination and went on to win the presidency.

## **The Presidency**

Trump has continued to use Twitter extensively since becoming president. He has used the platform to announce policy changes, to attack his opponents, and to spread misinformation.

One of Trump's most controversial tweets came in 2017, when he retweeted a video of a supporter shouting "White power!" Trump later claimed that he did not know the meaning of the phrase, but the tweet was widely condemned as racist.

Trump has also used Twitter to attack his opponents. He has called them "losers," "crooks," and "failures." He has also made unfounded accusations of voter fraud and election rigging.

Trump's use of Twitter has been a major source of controversy throughout his presidency. His tweets have been praised by his supporters and condemned by his critics. However, there's no denying that Trump's tweets have been a major part of the American political landscape.

## **The Future of Trump's Tweets**

It's unclear what the future holds for Trump's tweets. He has said that he plans to continue using the platform, but it's possible that he will be banned if he violates Twitter's terms of service.

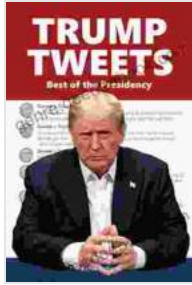

Regardless of what happens, Trump's tweets will continue to be a major part of the American political landscape for years to come.

### **Some of the Most Memorable Trump Tweets**

- "I am officially running for President of the United States and we are going to MAKE AMERICA GREAT AGAIN!" (June 16, 2015)
- "The election is rigged. The media is lying. The polls are fake." (November 8, 2016)
- "Despite the constant negative press covfefe" (May 31, 2017)
- "Retweet if you support the ban!" (June 5, 2018)
- "I am a very stable genius." (January 6, 2018)
- "The Democrats are trying to rig the election!" (October 27, 2020)

Donald Trump's use of Twitter has been one of the most defining characteristics of his presidency. He has used the platform to communicate directly with the American people, to attack his opponents, and to spread misinformation. His tweets have been praised by his supporters and condemned by his critics.

Whether you love him or hate him, there's no denying that Trump's tweets have been a major part of the American political landscape. They have shaped the way we think about politics, and they will continue to be a part of our national conversation for years to come.
