Voletta Wallace, the mother of the late rapper Notorious B.I.G., has written a new book about her son's life and legacy. In "Biggie: Voletta Wallace Remembers Her Son," Wallace shares her memories of Christopher Wallace, from his childhood to his rise to fame and his untimely death. The book is a deeply personal and moving account of a mother's love for her son.

Wallace writes about Christopher's early years in Brooklyn, where he was raised by his mother and stepfather. She describes him as a happy and loving child who was always full of energy. Christopher loved to rap and write poetry, and he began performing at local talent shows at a young age. As he got older, Christopher's talent for rapping became undeniable, and he quickly rose to prominence in the New York hip hop scene.

Wallace was there for every step of her son's career, from his early days as a struggling rapper to his eventual success as one of the biggest stars in the world. She was his biggest fan and supporter, and she always believed in his talent. When Christopher was shot and killed in 1997, Wallace was devastated. She lost her son, but she also lost a piece of herself. In the years since Christopher's death, Wallace has dedicated her life to keeping his memory alive. She has worked with the Christopher Wallace Memorial Foundation to provide scholarships to underprivileged students and to support programs that promote peace and unity in the community.

In "Biggie: Voletta Wallace Remembers Her Son," Wallace shares her memories of Christopher with the world. She writes about his childhood, his career, and his untimely death. But most importantly, she writes about the love she has for her son. This book is a testament to the power of a

mother's love, and it is a reminder that even though Christopher Wallace is gone, his legacy will live on forever.

An Excerpt from "Biggie: Voletta Wallace Remembers Her Son"

"One of my favorite memories of Christopher is from when he was about five years old. We were living in a small apartment in Brooklyn, and Christopher had just gotten a new toy car. He was so excited about it, and he couldn't wait to show it to me. He came running into the living room, holding the car in his hands and smiling from ear to ear.

'Look, Momma!' he said. 'I got a new car!'

I smiled back at him and said, 'That's great, Christopher. Let me see it.'

He handed me the car, and I examined it closely. It was a red convertible, with black racing stripes on the sides. It was a beautiful car, and I could see why Christopher was so excited about it.

'It's a nice car,' I said. 'Thank you for sharing it with me.'

Christopher smiled again and said, 'You're welcome, Momma.'

He took the car back from me and started to play with it. He pushed it back and forth on the floor, making car noises as he did. I watched him play for a while, and I smiled as I thought about how much I loved him.

Christopher was a special child, and I was so grateful that he was my son. He brought so much joy into my life, and I couldn't imagine my life without him.

I know that Christopher is in a better place now, and I'm grateful for the time that I had with him. He will always be my son, and I will always love him."

Voletta Wallace's book "Biggie: Voletta Wallace Remembers Her Son" is a beautiful and moving tribute to a son who was taken too soon. It is a must-read for any fan of Notorious B.I.G., and it is a powerful reminder of the power of a mother's love.
